

Waste Collection Services Rules & Guidelines

On May 1, 2016 all garbage, recycling, bulk and yard waste collection services will be provided by our new exclusive franchise hauler, Waste Industries. The following services are now included:

- ✓ Weekly Curbside Garbage Service (95 gallon cart included)
- ✓ Weekly Curbside Bulk Removal
- ✓ Weekly Curbside Yard Waste Removal
- ✓ Bi-Weekly Curbside Recycling Service (65 gallon cart included)

Curbside **Garbage** Collection Guidelines

- Carts must be placed at the curb no later than 6:00am on your scheduled day of service.
- All garbage **must be bagged** and placed inside the container.
- **Only the 95 gallon cart provided by Waste Industries will be serviced.**
- Due to the use of an automated truck please pay close attention to the cart placement guidelines included in this flyer.

Curbside **Bulk** Collection Guidelines

- You must call Waste Industries to be added to the Bulk collection schedule each week. This must occur no less than 24 hours before your scheduled day of service.
- Bulk items are described as any item that is too large to fit into the 95 gallon cart. This may include furniture, mattresses, appliances, etc. (Freon must be removed from appliances at tagged)
- No more than three (3) items per day will be removed during each weekly service.

Curbside **Yard Waste** Collection Guidelines

- You must call Waste Industries to be added to the Yard Waste collection schedule. This must occur no less than 24 hours before your scheduled day of service.
- Leaves and grass clippings must be bagged and placed at the curb no later than 6:00am on your scheduled day of service. Twigs, limbs, and branches should be neatly piled for collection and shall not exceed four (4) feet in length.
- All of the material combined may not exceed four (4) cubic yards (approximately the size of the bed of a standard pick-up truck).

Curbside Recycling Collection Guidelines

- Carts must be placed at the curb no later than 6:00am on your scheduled day of service.
- All recyclables should be un bagged and placed inside the container.
- **Only the 65 gallon cart provided by Waste Industries will be serviced.**

Acceptable Recycling Materials:

- Cardboard Boxes
- Junk Mail & Magazines
- Newspapers
- Phone Books
- Office Paper
- Plastic Milk Jugs
- Plastic Detergent Bottles
- Plastic Water & Soft Drink Bottles
- Aluminum & Tin Cans
- Plastic Jars (NO GLASS)

Do not place any items in the recycling container that do not meet the exact descriptions above. Items made of recyclable materials, that are not household type containers, are not acceptable like plastic toys or metal fixtures. **When in doubt, leave it out.**

Recycling will be collected on an every other week schedule. The calendar below illustrates an A week and B week schedule. Your recyclables will be collected on the same day as your garbage but on the every other B week schedule. A calendar is attached for your convenience. You may also access it on the City's website.

Garbage and Recycling Cart Placement Guidelines

HOW TO BEST PLACE YOUR CONTAINER

Container placement is essential to automated side loading. Please remember we don't want to damage your property, so be sure to keep your container AT LEAST 10 feet away from:

- Mail Boxes
- Street Lights
- Vehicles
- Electrical Posts

Always remember to keep the wheels facing AWAY from the curb, or the arm will not be able to pick up your container! See below for the best placement of your cart:

Street

Street

Container(s) Driveway Mailbox

The front of the container is where the lid opens. The wheels are on the rear of the container. The front of the container should face the street and the rear of the container should face your home.

The container must be placed away from objects like mail boxes, telephone poles, and fire hydrants. If the container is too close to a fixed object the automated mechanical arm may come in contact with the object causing damage to the object and the truck.

Every-Other-Week Recycling Schedule

B Week
Holiday

During a holiday week, if your service day falls **ON** a holiday, you will be serviced on the following day. Please refer to the Waste Industries website www.wasteindustries.com for any service questions and an up to date holiday schedule.

Garbage, Recycling, Bulk and Yard Waste Collection Routes

Services will be provided Monday thru Friday by service zone. Refer to the map below to identify your service zone. Zone 1 is Monday, Zone 2 is Tuesday, etc. All service types will be provided on that day.

Waste Collection Services Rules & Guidelines

Here is the answers to some most asked questions:

Question: *What if I have not received my garbage or recycling container by May 1, 2016?*

Answer: Call Waste Industries to complete delivery.

Question: *Am I required to have service with Waste Industries?*

Answer: Yes, by law all residents are required to have garbage service. Each homeowner will be billed by the City.

Question: *What if I have more garbage than the container will hold?*

Answer: If this happens on occasion, place the bags outside the container and they will be collected. If this occurs regularly, contact Waste Industries to order a second cart or sign up for our FREE recycling service.

Question: *Can I continue to use and place garbage in my personally owned containers?*

Answer: No, Waste Industries will only service the 95 gallon cart provided by the City.

Question: *How can I get rid of my personally owned containers?*

Answer: Call Waste Industries to schedule them to be removed as a Bulk Collection item.

Question: *What if no one in my home is physically capable of rolling the cart to the curb?*

Answer: Call the Stockbridge Public Works Department and ask to be certified as a Qualified Disabled Resident to receive backdoor service.

Question: *Will Waste Industries pick up construction materials during Bulk Collection service?*

Answer: No, all construction and landscaping contractors, or any other type of contractor that generates waste is required to provide their own method of removal. Landscape materials generated by the home owner are acceptable. Construction materials, regardless of the generator, are never acceptable.
