WITNESSETH:

THAT, for and in consideration of the sum of Ten and No/100 Dollars (\$10.00) and other valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, and in order to secure the indebtedness and other obligations hereinafter set forth, Grantor has granted, bargained, sold and conveyed, and does hereby grant, bargain, sell and convey, unto Grantee the following property (collectively, the "Premises"), to-wit:

of the Land as between the parties hereto and all persons claiming, by, through or under either of them; and

(c) All and singular the easements, rights-of-way, strips and gores of land, streets, ways, alleys, passages, sewer rights, waters, water courses, water rights and powers, estates, rights, titles, interests, minerals, royalties, privileges, liberties, tenements, hereditaments and appurtenances whatsoever, in any way now or hereafter belonging, relating or appertaining to the Land or the improvements now or hereafter located thereon, or any part thereof, whether now owned or hereafter acquired by Grantor, and the reversion or reversions, remainder and remainders, rents, issues and profits thereof; and all right to receive excess payments in any tax sale of the Land and the improvements now or hereafter located thereon, or any part thereof; and all the estate, right, title, interest, claim and demand whatsoever of Grantor of, in and to the same; and

(d) Any and all rents which are now due or may hereafter become due by reason of the renting, leasing and bailment of the Land or the improvements now or hereafter located thereon, or any part thereof; and

(e) Any and all awards or payments, including interest thereon, and the right to receive the same, as a result of (i) the exercise of the right of eminent domain, (ii) the alteration of the grade of any street, or (iii) any other injury to the taking of, or decrease in the value of, the Land or the improvements now or hereafter located thereon;

TO HAVE AND TO HOLD all the aforesaid Premises to the use, benefit and behoof of the Grantee, its successors and assigns, in FEE SIMPLE forever. Grantor warrants that Grantor has good title to the Premises, and is lawfully seized and possessed of the Premises and every part thereof, and has the right to convey same; that the Premises are unencumbered; and the Grantor will forever warrant and defend the title to the Premises unto Grantee against the claims of all persons whomsoever.

This instrument is a deed and security agreement passing legal title to the Premises to Grantee pursuant to the laws of the State of Georgia governing loan or security deeds and security agreements, and is not a mortgage; and is made and intended to secure the payment of the indebtedness of Grantor to Grantee as evidenced by a certain Promissory Note of even date herewith (as the same may be modified, amended, extended, renewed, replaced and consolidated from time to time, the "Note") from Grantor and payable to the order of Grantee in the principal sum of ONE MILLION EIGHT HUNDRED FIFTY & 00/100 DOLLARS (\$1,850,000.00) with a final maturity date occurring on or before May 2, 2007, the Note being made a part hereof by this reference, and together with any advances by Grantee or any transferee of Grantee for the purpose of paying taxes or premiums on insurance on the Premises or to repair, maintain or improve the Premises (whether or not Grantor is at that time the owner of the Premises), and together with any and all other indebtedness now owing or which may hereafter be owing by Grantor to Grantee, however incurred (all of which present and future indebtedness are collectively referred to herein as the "Secured Indebtedness").

Grantor covenants and agrees as follows:

ARTICLE I

1.01. Payment of Secured Indebtedness. Grantor shall pay to Grantee the Secured Indebtedness with interest thereon as in the Note and this Deed provided, as and when the same becomes due and payable.

1.02. Payment of Taxes, Etc. Grantor shall pay, when due and payable, (a) all taxes, assessments, general or special, and other charges levied on, or assessed, placed or made against the Premises, this Deed, the Note or the Secured Indebtedness or any interest of the Grantee in the Premises or the obligations secured hereby; (b) premiums on policies of fire and other hazard insurance covering the Premises, as required in Section 1.03 herein; (c) premiums on all collaterally pledged life insurance policies, if any; (d) premiums for mortgage insurance, if this Deed and the Note are so insured; and (e) ground rents or other lease rentals, if any, payable by Grantor. If Grantor fails to promptly make any such payment, then Grantee may, at its option, make such payment, without notice, and the amount so advanced shall become part of the Secured Indebtedness and shall bear interest from the date advanced at the rate of interest from time to time in effect in the Note for principal. If, in the opinion of Grantee, any state, federal, municipal or other governmental law, order, rule or regulation prohibits Grantor from paying any such tax, assessment or other charge or would penalize Grantee if Grantor were to make such payment, or if, in the opinion of Grantee, the making of such payment might result in the imposition of interest beyond the maximum amount permitted by applicable law, then the Secured Indebtedness shall, at the option of Grantee, become immediately due and payable.

1.03. Insurance. (a) Grantor shall maintain public liability insurance with coverages and amounts acceptable to Grantee. Grantor shall keep improvements (if any) on the Premises insured for the benefit of Grantee against loss or damage by fire, lightning, windstorm, hail, collapse, explosion, malicious mischief, riot, riot attending a strike, civil commotion, aircraft, vehicles and smoke and such other hazards as Grantee may from time to time require, all in amounts approved by Grantee not exceeding 100% of full insurable value. All insurance herein provided for shall be in form and with companies approved by Grantee; and, regardless of the types or amounts of insurance required and approved by Grantee, Grantor shall assign and deliver to Grantee, as collateral and further security for the payment of the Secured Indebtedness, all policies of insurance which insure against any loss or damage to the Premises, with loss payable to Grantee, without contribution, pursuant to the New York Standard or other mortgagee clause satisfactory to Grantee. If Grantee, by reason of such insurance, receives any money for loss or damage, such amount shall, at the option of Grantee, either be disbursed for the repair and restoration of the Premises in accordance with and subject to the conditions for disbursement that Grantee would customarily impose as a prudent lender in a construction or development loan, or retained by Grantee and applied toward payment of the Secured Indebtedness. Grantee shall in no event be obligated to see to the proper application of any amount paid over to Grantor.

300: PAIS
008094 0245

(b) Not less than ten (10) days prior to the expiration date of each policy of insurance required of Grantor pursuant to this 1.03, and of each policy of insurance held as additional collateral to secure the Secured Indebtedness, Grantor shall deliver to Grantee a renewal policy or policies marked "premium paid" or accompanied by other evidence of payment satisfactory to Grantee.

(c) In the event of a foreclosure of this Deed, the purchaser of the Premises shall succeed to all the rights of Grantor in and to all policies of insurance required by this 1.03 and all policies of insurance assigned or delivered to Grantee regardless of whether or not required by this 1.03, including without limitation the right to unearned premiums.

1.04. Condemnation. Notwithstanding any taking of, injury to, or decrease in the value of, any portion of the Premises by or as the result of eminent domain, the alteration of the grade of any street, or any other public or quasi-public action, Grantor shall continue to pay principal and interest on the Secured Indebtedness, and any reduction in the Secured Indebtedness resulting from the application by Grantee of any award or payment for such taking, alteration, injury or decrease in value of the Premises shall be deemed to take effect only on the date of such receipt. Any such award or payment may, at the option of Grantee, be retained and applied by Grantee toward payment of the Secured Indebtedness, or be paid over, wholly or in part, to Grantor for the purpose of altering, restoring or rebuilding any part of the Premises which may have been altered, damaged or destroyed as a result of any such taking, alteration of grade, or other injury to the Premises, or for any other purpose or object satisfactory to Grantee, but Grantee shall not be obligated to see to the application of any amount paid over to Grantor. If, prior to the receipt by Grantee of such award or payment, the Premises shall have been sold on foreclosure of this Deed, Grantee shall have the right to receive said award or payment to the extent of any deficiency found to be due upon such sale, whether or not a deficiency judgment on this Deed shall have been sought or recovered or denied, together with legal interest thereon and the costs (including fifteen percent (15%) of the principal and interest as attorney's fees) incurred by Grantee in the obtaining and collection of such award or payment.

1.05. Care of Premises. Grantor shall maintain the Premises in good condition and repair, shall not commit or suffer any waste to the Premises, and shall comply with, or cause to be complied with, all restrictive covenants, statutes, ordinances and requirements of any governmental authority relating to the Premises and the use thereof or any part thereof. Grantor shall promptly repair, restore, replace or rebuild any part of the Premises, now or hereafter encumbered by this Deed, which may be affected by any proceeding of the character referred to in 1.04 herein. No part of the Premises, including, but not limited to, any building, structure, parking lot, driveway, landscape scheme, timber or other ground improvement, equipment or other property, now or hereafter conveyed as security by or pursuant to this Deed, shall be removed, demolished or materially altered without the prior written consent of Grantee. Grantor shall complete, within a reasonable time, and pay for any building, structure or other improvement at any time in the process of construction on the property herein conveyed. Grantor shall not initiate, join in or consent to any change in any private restrictive covenant, zoning ordinance or other public or private restrictions limiting or defining the uses which may be made

of the Premises or any part thereof. Grantee and any persons authorized by Grantee shall have the right to enter and inspect the Premises at all reasonable times and access thereto shall be permitted for that purpose.

1.06. Security Agreement. (a) This Deed shall also constitute a security agreement within the meaning of the Uniform Commercial Code of the State of Georgia (the "Code") with respect to all the following: (i) all sums of Grantor on deposit with Grantee from time to time (the "Deposits"); (ii) if the Land is to be subdivided into lots, all income received from the sale of such lots (the "Lot Sales Income"); (iii) all fixtures and personal property included (whether generally or specifically) in the definition of "Premises" set forth hereinabove and now or hereafter acquired by Grantor, and all replacements, substitutions and additions thereto (the "Fixtures and Personalty"); (iv) all plans, specifications, drawings, surveys, contracts (including contracts with general contractors and architects) and subcontracts related to the improvement and development of the Premises (the "Improvement Documents"); and (v) all proceeds (including cash proceeds and proceeds of proceeds) of all of the foregoing (all such Deposits, Lot Sales Income, Fixtures and Personalty, Improvement Documents and proceeds are collectively referred to herein as the "Collateral"). Grantor hereby grants to Grantee a security interest in and to the Collateral and every component thereof, and does hereby transfer and assign to Grantee all of Grantor's right, title and interest in and to the Collateral and every component thereof, to secure the payment of the Secured Indebtedness as and when the same becomes due and payable. With respect to the Fixtures and Personalty, while an Event of Default is subsisting, Grantee shall also have the right (i) to proceed against the Fixtures and Personalty in accordance with Grantee's rights and remedies with respect to the real property, in which event the provisions of the Code shall not govern the default and Grantee's remedies, or (ii) to proceed against the Fixtures and Personalty separately from the real property. When proceeding against any of the Collateral under the provisions of the Code, ten (10) days' notice of Grantee's determination to proceed against such Collateral shall be deemed reasonable notice. The reasonable expenses of retaking, holding, preparing for sale and selling the Collateral shall be deemed to include (without limitation) attorneys' fees equal to fifteen percent (15%) of the unpaid principal and interest. Grantor agrees not to remove any of the Fixtures and Personalty from the Premises without the prior written consent of Grantee; provided, however, that Grantor may sell or otherwise dispose of obsolete, inadequate, useless or unserviceable items of the Fixtures and Personalty in the ordinary course of its management and operation of the Premises without Grantee's consent. At the request of Grantee from time to time, Grantor will provide Grantee with an inventory or schedule of all of the Collateral.

(b) Grantor further covenants and agrees that all of the Fixtures and Personalty are and shall be owned by Grantor and, except as disclosed to and approved by Grantee in writing, shall not be the subject matter of any lease or other instrument, agreement or transaction whereby the ownership or beneficial interest thereof or therein shall be held by any person or entity other than Grantor, nor shall Grantor create or cause to be created any security interest covering any such property other than the security interest created herein in favor of Grantee.

1.07. Further Assurances. Grantor shall execute and deliver (and pay the costs of preparation and recording thereof) to Grantee and to any subsequent holder from time to time, upon demand, any further instrument or instruments, including, but not limited to, security deeds, security agreements, financing statements, assignments and renewal and substitution notes, so as to reaffirm, to correct and to perfect the evidence of the obligation hereby secured and the legal security title of Grantee to all or any part conveyed, later substituted for, or acquired subsequent to the date of this Deed and extensions or modifications thereof. Grantor, upon request, made either personally or by mail, shall certify by a writing, duly acknowledged, to Grantee or to any proposed assignee of this Deed, the amount of principal and interest then owing on the Secured Indebtedness and whether or not any offsets or defenses exist against the Secured Indebtedness, within six (6) days in case the request is made personally, or within ten (10) days after the mailing of such request in case the request is made by mail.

1.08. Expenses. Upon demand Grantor shall pay, or reimburse Grantee for the payment of, all attorneys' fees, costs and expenses incurred by Grantee in any suit, action, legal proceeding or dispute of any kind in which Grantee is made a party or appears as party plaintiff or defendant, affecting the Secured Indebtedness, this Deed or the rights and interest created herein, or the Premises, including without limitation the exercise of the power of sale contained in this Deed, any condemnation action involving the Premises or any action to protect the security hereof; and any such amounts paid by Grantee shall be added to the indebtedness secured by this Deed.

1.09. Subrogation. Grantee shall be subrogated to the claims and liens of all parties whose claims or liens are discharged or paid with the proceeds of the Secured Indebtedness or otherwise discharged or paid by Grantee. Grantor waives all rights of subrogation until all obligations secured hereby have been paid in full.

1.10. Transfer of the Premises. Grantor shall not sell, transfer, lease, let, mortgage, pledge, encumber, create a security interest in, or otherwise hypothecate all or any part of the Premises without Grantor's prior written consent. Grantee may, in its sole discretion, consent to any such sale or transfer, but such consent shall not be deemed to constitute a novation. Should Grantee consent to such sale or transfer, it will be deemed to have waived its right to declare an Event of Default for a breach of this 1.10 only if, prior to the consummation of such sale or transfer: (a) Grantee determines that the credit of the purchaser or transferee is satisfactory; (b) the purchaser or transferee agrees to pay interest on the amount owed to Grantee under the Note and under this Deed at such rate as Grantee may then require; (c) the purchaser or transferee executes an assumption agreement acceptable to Grantee that obligates the purchaser or transferee to keep all the promises and agreements made in the Note and this Deed whether according to their original terms or as amended pursuant to the assumption agreement; and (d) the purchaser or transferee pays the transfer fee then required by Grantee. The foregoing provisions will apply to each and every sale and transfer whether or not the Grantee has consented to any previous sale or transfer.

1.11. Limit of Validity. If from any circumstance whatsoever the fulfillment of any provision of this Deed, the Note or the Loan Agreement, at the time that the performance of such

provision is due, involves transcending the limit of validity presently prescribed by any applicable usury statute or any other applicable law, with regard to obligations of like character and amount, then *ipso facto* the obligation to be fulfilled shall be reduced to the limit of such validity, so that in no event shall any exaction be possible under this Deed, the Note or the Loan Agreement that is in excess of the applicable limit of such validity, but such obligation shall be fulfilled to the limit of such validity. The provisions of this 1.11 shall control every other provision of this Deed, the Note and the Loan Agreement.

1.12. Periodic Certifications. Grantor shall deliver to Grantee, at any time within ten (10) days after notice and demand by Grantee, but not more frequently than once per month, a statement in such reasonable detail as Grantee may request, certified by the Grantor, of any and all expenses related to and income derived from the Premises for the twelve (12) calendar months preceding the giving of such notice, and, on demand, Grantor shall furnish to Grantee with convenient facilities for the audit and verification of any such statement.

1.13. Hazardous Materials. Grantor warrants and represents to Grantee that, to the best of Grantor's knowledge, no portion of the Premises has been used for the storage or dumping of, or has become contaminated with, any hazardous materials as contemplated in any federal, state or local law, ordinance or regulation from time to time in effect. Grantor covenants and agrees: (i) not to cause or permit the Premises to be used for the storage or dumping of any such hazardous materials; and (ii) promptly to remove and clean up any such hazardous materials that may now or hereafter be discovered on the Premises, at Grantor's sole cost and expense.

ARTICLE II

2.01. Events of Default. Each of the following events shall constitute an "Event of Default" under this Deed:

(a) should Grantor fail to pay the Secured Indebtedness or any part thereof when due;

(b) should any warranty or representation of Grantor herein contained, or contained in any instrument, transfer, certificate, statement, conveyance, assignment or loan agreement given with respect to the Secured Indebtedness, prove untrue or misleading in any material respect;

(c) should the Premises be subject to actual or threatened waste, or any part thereof be removed, demolished or materially altered so that the value of the Premises be diminished except as provided for in 1.04;

(d) should any federal tax lien or claim of lien for labor or material be filed of record against Grantor or against the Premises and not be removed by payment or bond within thirty (30) days from date of recording;

(e) should a third party assert the priority of a lien, security interest, or security deed over that of this Deed in any legal proceeding;

(f) should Grantor or any guarantor of the loan secured by this Deed (Grantor and the guarantors are referred to in this 2.01 collectively as the "Obligors" and individually as an "Obligor") make any assignment for the benefit of creditors; or should a receiver, liquidator or trustee of any of the Obligors or of any of an Obligor's properties be appointed; or should any petition for the bankruptcy, reorganization or arrangement of an Obligor, pursuant to the Federal Bankruptcy Code or any similar federal or state statute, be filed and not dismissed within ninety (90) days; or should an Obligor be adjudicated as bankrupt or insolvent; or should an Obligor in any proceeding admit insolvency or an inability to pay debts as they fall due; or should an Obligor, if a corporation, be liquidated or dissolved or its articles of incorporation expire or be revoked, or if a partnership or business association, be dissolved or partitioned, or if an individual, die, or if a trust, be terminated or expire;

(g) Should Grantor fail to keep, observe, perform, carry out and execute in every particular the covenants, agreements, obligations and conditions set out in, or should a breach, default event of default or failure of condition or performance (however denominated), occur under, this Deed, the Note, that certain loan agreement of even date herewith (the "Loan Agreement") between Grantor and Grantee, or any other document or instrument securing or given with respect to the Secured Indebtedness (this Deed, the Note, the Loan Agreement and all such other documents and instruments are collectively referred to herein as the "Loan Documents");

(h) should any event occur under any instrument, deed or agreement, given or made by an Obligor to or with any third party which would authorize the acceleration of any debt to any such third party, the acceleration of which would materially affect such Obligor's ability to pay when due any amounts owed to Grantee;

(i) should Grantee at any time in good faith deem itself insecure in the timely repayment of the Secured Indebtedness or in the sufficiency of the security and collateral therefor;

(j) should there occur any sale, transfer, leasing, or encumbering of all or any portion of the Premises without the prior written consent of Grantee, which consent may be withheld or delayed in the sole discretion of Grantee;

(k) should there occur any change in the legal or equitable ownership of a controlling interest in Grantor or in the legal or equitable ownership of, or the management of, the Premises, if in Grantee's sole judgment such change materially and adversely affects the ability of Grantor to perform its obligations under the Loan Documents; or

(1) should Grantor default in the performance of its obligations of payment or performance under any other present or future loan made by Grantee to Grantor.

2.02. Enforcement, etc. If an Event of Default occurs and is subsisting, Grantee may do any one or more of the following:

(a) enter upon and take possession of the Premises, with or without the appointment of a receiver or an application therefor, employ a managing agent of the Premises and let the same, either in its own name, or in the name of Grantor, and receive the rents, incomes, issues and profits of the Premises and apply the same, after payment of all necessary charges and expenses, on account of the Secured Indebtedness; and Grantor will transfer and assign to Grantee, in form satisfactory to Grantee, Grantor's interest as lessor in any lease now or hereafter affecting the whole or any part of the Premises;

(b) pay any sums in any form or manner deemed expedient by Grantee to protect the security of this instrument or to cure any Event of Default other than payment of interest or principal on the Secured Indebtedness; make any payment hereby authorized to be made according to any bill, statement or estimate furnished or procured from the appropriate public officer or the party claiming payment without inquiry into the accuracy or validity thereof, and the receipt of any such public officer or party in the hands of Grantee shall be conclusive evidence of the validity and amount of items so paid, in which event the amounts so paid, with interest thereon from the date of such payment at the default rate of interest specified in the Note shall be added to and become a part of the Secured Indebtedness and be immediately due and payable to Grantee; and Grantee shall be subrogated to any encumbrance, lien, claim or demand, and to all the rights and securities for the payment thereof, paid or discharged with the principal sum secured hereby or by Grantee under the provisions hereof, and any such subrogation rights shall be additional and cumulative security to this instrument;

(c) declare the entire Secured Indebtedness immediately due, payable and collectible, regardless of maturity, and, in that event, the entire Secured Indebtedness shall become immediately due, payable and collectible; and thereupon, Grantee may sell and dispose of the Premises at public auction, at the usual place for conducting sales at the courthouse in the county where the Premises or any part thereof may be located, to the highest bidder for cash, first advertising the time, terms and place of such sale by publishing a notice thereof once a week for four consecutive weeks (without regard to the actual number of days) in a newspaper in which sheriff's advertisements are published in said county, all other notice being hereby waived by Grantor; and Grantee may thereupon execute and deliver to the purchaser at said sale a sufficient conveyance of the Premises in fee simple, which conveyance may contain recitals as to the happening of the default upon which the execution of the power of sale, herein granted, depends, and said recitals shall be presumptive evidence that all preliminary acts prerequisite to said sale and deed were in all things duly complied with; and Grantee, its agents, representatives, successors or assigns, may bid and purchase at such sale; and Grantor hereby constitutes and appoints Grantee or

its assigns as agent and attorney-in-fact to make such recitals, sale and conveyance, and all of the acts of such attorney-in-fact are hereby ratified, and Grantor agrees that such recitals shall be binding and conclusive upon Grantor and that the conveyance to be made by Grantee, or its assigns (and in the event of a deed in lieu of foreclosure, then as to such conveyance) shall be effectual to bar all right, title and interest, equity of redemption, including all statutory redemption, homestead, dower, curtesy and all other exemptions of Grantor, or its successors in interest, in and to said Premises; and Grantee, or its assigns, shall collect the proceeds of such sale, reserving therefrom all unpaid Secured Indebtedness with interest then due thereon, and all amounts advanced by Grantee for taxes, assessments, fire insurance premiums and other charges, with interest at the rate of interest specified in the Note thereon from date of payment, together with all costs and charges for advertising, and commissions for selling the Premises, and fifteen percent (15%) of the Secured Indebtedness as attorney's fees, and pay over any surplus to Grantor (or in the event of a deficiency Grantor shall immediately on demand from Grantee pay over to Grantee, or its nominee, an amount equal to such deficiency); and Grantor agrees that possession of the Premises during the existence of the Secured Indebtedness by Grantor, or any person claiming under Grantor, shall be that of a tenant of Grantee or its successors and assigns, and, in case of a foreclosure sale, as herein provided, Grantor or any person in possession under Grantor shall then become and be tenants holding over, and shall forthwith deliver possession to the purchaser at such sale, or be summarily dispossessed in accordance with the provisions of law applicable to tenants holding over; the power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise, and are in addition to any and all other remedies which Grantee may have at law or in equity;

(d) Exercise any and all rights accruing to a secured party under this Deed, the Code and any other applicable law.

2.03. Receiver. Grantee, in any action to foreclose this Deed, or upon any Event of Default, shall be at liberty to apply for the appointment of a receiver of the rents and profits or of the Premises or both without notice, and shall be entitled to the appointment of such a receiver as a matter of right, without consideration of the value of the Premises as security for the amounts due the Grantee, or the solvency of any person or corporation liable for the payment of such amounts.

2.04. Sale in Parcels. In case of any sale under this Deed by virtue of the exercise of the power herein granted, or pursuant to any order in any judicial proceedings or otherwise, at the election of Grantee the Premises or any part thereof may be sold in one parcel and as an entirety, or in such parcels, manner or order as Grantee in its sole discretion may elect, and one or more exercises of the powers herein granted shall not extinguish or exhaust the power unless the entire Premises are sold or the Secured Indebtedness paid in full.

2.05. Waiver of Homestead. Grantor hereby waives and renounces all right of homestead exemption in the Premises provided by the Constitution or Laws of the United States, the State of Georgia, or any other State in the United States.

2.06. Grantee's Right to Sue. Grantee shall have the right from time to time to sue for any sums, whether interest, principal or any installment of either or both, taxes, penalties, or any other sums required to be paid under the terms of this Deed, as the same become due, without regard to whether or not all of the Secured Indebtedness shall be due on demand, and without prejudice to the right of Grantee thereafter to enforce any appropriate remedy against Grantor, including an action of foreclosure, or any other action, for a default or defaults by Grantor existing at the time such earlier action was commenced.

2.07. No Obligation to Marshal Assets. In realizing upon the security and collateral for the Secured Indebtedness during the subsistence of an Event of Default, Grantee shall have no obligation whatsoever to marshal assets, or to realize upon all of such security and collateral; rather, Grantee shall have the right to realize upon all or any part of such collateral from time to time as Grantee deems appropriate.

2.08. Rights Cumulative. The rights of Grantee, granted and arising under the clauses and covenants contained in this Deed and the other Loan Documents, shall be separate, distinct and cumulative of other powers and rights herein granted and all other rights which Grantee may have at law or in equity, and none of them shall be in exclusion of the others; and all of them are cumulative to the remedies for collection of indebtedness, enforcement of rights under security deeds, and preservation of security as provided at law. No act of Grantee shall be construed as an election to proceed under any one provision herein or under the Note or any of the other Loan Documents to the exclusion of any other provision, or an election of remedies to the bar of any other remedy allowed at law or in equity, anything herein or otherwise to the contrary notwithstanding.

2.09. Discontinuance of Proceedings. If Grantee commences the enforcement of any right, power or remedy, whether afforded under this Deed or otherwise, and including without limitation foreclosure or entry upon the Premises, and such enforcement is then discontinued or abandoned for any reason, or is determined adversely to Grantee, then and in every such case Grantor and Grantee shall be restored to their former positions and rights hereunder, without waiver of any Event of Default and without novation, and all rights, powers and remedies of Grantee shall continue as if no such enforcement had been commenced.

ARTICLE III

3.01. Successors and Assigns. This Deed shall inure to the benefit of and be binding upon Grantor and Grantee and their respective legal representatives, heirs, executors, administrators, successors and assigns. (No right in Grantor to sell, transfer or encumber the Premises may be inferred from this.)

3.02. Terminology. The words "Grantor" and "Grantee" shall include the legal representatives, heirs, executors, administrators, successors and assigns of the parties hereto, and

all those holding under either of them. If more than one party shall execute this Deed, the term "Grantor" shall mean all parties signing, and each of them, and each agreement, obligation and Secured Indebtedness of Grantor shall be and mean the several as well as joint undertaking of each of them. Pronouns used herein shall include both genders and both the singular and the plural, and the grammatical construction of sentences shall be deemed conformed thereto.

3.03. Captions for Convenience. The captions and headings in this Deed have been provided for convenience only and shall not limit the scope or extent of any provision hereof.

3.04. Severability. If any provision of this Deed should be held by a court of competent jurisdiction to be invalid, illegal or unenforceable, such invalidity, illegality or unenforceability shall not affect the validity, legality and enforceability of the remaining provisions of this Deed.

3.05. Applicable Law. This Deed shall be governed by and construed in accordance with the laws of the State of Georgia.

3.06. Time of the Essence. Time is of the essence of this Deed and each of the other Loan Documents.

3.07. Notice, Etc. Notices and other communications hereunder shall be effective if given in writing by hand delivery to the recipient thereof, or by certified United States mail, postage and charges prepaid, addressed to the recipient at the addresses for Grantor and Grantee set forth on the first page of this Deed. Notices given by hand shall be effective upon receipt. Notices given by certified mail shall be effective on the third (3rd) day after deposit in the United States mail, addressed as aforesaid. Either party hereto may change the address for notice by notifying the other party hereto of the new address in the manner set forth herein for giving notices. (No obligation on the part of Grantee to provide any notice whatsoever may be inferred from this Section.)

3.08. No Implied Waiver by Grantee. No indulgence or departure at any time by the Grantee from any of the provisions hereof, or of any obligation hereby secured, shall modify the same or relate to the future or waive future compliance therewith by the Grantor.

3.09. WAIVER OF GRANTOR'S RIGHTS. GRANTOR EXPRESSLY:
(1) ACKNOWLEDGES THE RIGHT TO ACCELERATE THE DEBT AND THE POWER OF ATTORNEY GIVEN IN THIS Deed TO SECURE DEBT TO GRANTEE TO SELL THE PREMISES BY NONJUDICIAL FORECLOSURE UPON DEFAULT BY GRANTOR WITHOUT ANY JUDICIAL HEARING AND WITHOUT ANY NOTICE OTHER THAN SUCH NOTICE (IF ANY) AS IS SPECIFICALLY REQUIRED TO BE GIVEN UNDER THE PROVISIONS OF THIS Deed TO SECURE DEBT OR OTHER LOAN DOCUMENTS;
(2) WAIVES ANY AND ALL RIGHTS WHICH GRANTOR MAY HAVE UNDER THE FIFTH AND FOURTEENTH AMENDMENTS TO THE CONSTITUTION OF THE UNITED STATES, THE VARIOUS PROVISIONS OF THE CONSTITUTIONS FOR THE SEVERAL STATES, OR BY REASON OF ANY OTHER APPLICABLE LAW, TO NOTICE AND TO JUDICIAL HEARING PRIOR TO THE EXERCISE BY GRANTEE OF ANY RIGHT OR

REMEDY PROVIDED TO GRANTEE, EXCEPT SUCH NOTICE (IF ANY) AS IS SPECIFICALLY REQUIRED TO BE PROVIDED IN THIS Deed TO SECURE DEBT OR OTHER LOAN DOCUMENTS; (3) ACKNOWLEDGES THAT GRANTOR HAS READ THIS Deed TO SECURE DEBT AND ANY AND ALL QUESTIONS REGARDING THE LEGAL EFFECT OF THIS Deed TO SECURE DEBT AND ITS PROVISIONS HAVE BEEN EXPLAINED FULLY TO GRANTOR, AND GRANTOR HAS BEEN AFFORDED AN OPPORTUNITY TO CONSULT WITH COUNSEL OF GRANTOR'S CHOICE PRIOR TO EXECUTING THIS Deed TO SECURE DEBT; (4) ACKNOWLEDGES THAT ALL WAIVERS OF THE AFORESAID RIGHTS OF GRANTOR HAVE BEEN MADE KNOWINGLY, INTENTIONALLY AND WILLINGLY BY GRANTOR; AND (5) AGREES THAT GRANTOR'S RIGHT TO NOTICE SHALL BE LIMITED TO THOSE RIGHTS TO NOTICE PROVIDED BY THIS Deed TO SECURE DEBT AND OTHER LOAN DOCUMENTS.

IN WITNESS WHEREOF, this Deed has been duly executed under seal by Grantor as of the day and year first above written.

CLOSING ATTORNEY'S AFFIDAVIT

Before the undersigned attesting officer personally appeared the undersigned closing attorney, who having been first duly sworn according to law states under oath as follows:

In closing the above loan, but prior to the execution of the Deed to Secure Loan and Waiver of Borrower's Rights by the Borrower, I reviewed with and explained to the Borrower the terms and provisions of the Deed to Secure Loan which pertain to authorizing the Lender to sell the secured property by a nonjudicial foreclosure under a power of sale, together with the Waiver of Borrower's Rights, and informed the Borrower of Borrower's rights under the Constitution of the State of Georgia and the Constitution of the United States to notice and a judicial hearing prior to such foreclosure in the absence of a knowing, intentional and willing contractual waiver by Borrower of Borrower's rights. After said review with and explanation to Borrower, Borrower executed the Deed to Secure Loan and Waiver of Borrower's Rights.

Based on said review with and explanation to the Borrower, it is my opinion that Borrower knowingly, intentionally and willingly executed the waiver of Borrower's constitutional rights to notice and judicial hearing prior to any such nonjudicial foreclosure.

- (b) Borrower shall not, without the prior written consent of Lender, (i) modify or amend any of the Leases; (ii) terminate or accept the surrender of any of the Leases unless the Tenant thereunder shall have materially defaulted; (iii) waive or

release any Tenant from the performance or observance of any material obligation or condition of its Lease; (iv) permit to be made any prepayment of any installment of rent or fees under the Leases for more than one (1) month in advance (except for security deposits); or (v) consent to any subletting or assignment by any Tenant without the prior written consent of Lender, to the extent Borrower's consent is required by the terms of such Tenant's Lease, provided that Lender shall not unreasonably withhold its consent to any such assignment or subletting to the extent Borrower's consent to such assignment or subletting may not be unreasonably withheld under the terms of such Tenant's Lease.

- (c) Borrower shall not execute any further assignment of the income, rents, issues or profits, or any part thereof, from the Premises unless Lender shall first consent to such assignment and unless such assignment shall expressly provide that it is subordinate to this Assignment or any assignment concerning the Indebtedness.
- (d) Borrower shall furnish to Lender, within ten (10) days after a request by Lender to do so, a sworn statement setting forth the name of all lessees and tenants of the Premises, the terms of their respective leases, tenant contracts or rental agreements, the space occupied, and the rentals payable thereunder, and stating whether to Borrower's knowledge any defaults, off-sets or defenses exist under or in connection with any of said leases, tenant contracts or rental agreements. Any and all leases, tenant contracts and rental agreements affecting the Premises and executed after the date hereof shall provide for giving by the lessees or tenants thereunder of certificates with respect to the status of such leases, tenant contracts or rental agreements, and Borrower shall exercise Borrower's right to request such certificates within five (5) days of any demand therefor by Lender.
- (e) Borrower shall take no action which shall cause or permit the estate of the Tenant under any of the Leases to merge with the interest of Borrower in the Premises or any portion thereof.

- (f) Acceptance of this Assignment shall not be construed as a consent by Lender to any of the Leases and Lender shall not be obligated to perform or discharge any obligation of Borrower under any of the Leases, and Borrower agrees to, and does hereby indemnify and hold Lender harmless against any and all liabilities, obligations, claims, damages, penalties, costs and expenses (including without limitation, attorneys' fees and expenses actually incurred) which Lender may incur under any of the Leases or under or by reason of this Assignment, and from any and all claims and demands whatsoever which may be asserted against Lender by reason of any act or failure to act by Lender under this Assignment or any alleged obligation or undertaking to be performed or discharged by Lender under this Assignment. The foregoing indemnity shall not be applicable to any such claim, liability, loss, cost, expense or damage which results from any action of Lender which occurs subsequent to the completion of a foreclosure or acceptance of a deed in lieu of foreclosure with respect to the Premises.
- (g) Borrower shall authorize and direct, and does hereby authorize and direct each and every present and future tenant of the whole or any part of the Premises to pay all rental to Lender upon receipt of written demand from Lender to so pay the same.
- (h) Upon request of Lender, Borrower shall deliver Lender certified copies of all Leases then in effect.

1.03 Covenants of Lender. By acceptance of delivery of this Assignment, Lender covenants with Borrower that:

- (a) Although this Assignment constitutes a present and current assignment of all rents, issues and profits from the Premises, so long as there shall exist no Event of Default (as hereinafter defined) on the part of Borrower, Borrower shall have a revocable license to collect, but not more than one (1) month prior to accrual, all such rents, issues and profits from the Premises (including, but not by way of limitation, all rental payments under any of the Leases) and to retain, use and enjoy the same; provided, however, that such rents, issues and profits from the Premises shall be applied by Borrower to the payment of debt service on the Indebtedness due and payable at that time and the

payment of taxes, assessments and operating and maintenance charges relating to the Premises which are due and payable at the time of collection of such rents, issues and profits before using same for any other purpose. Upon the occurrence of any Event of Default, the license of Borrower to collect rents shall ipso facto, and without notice, immediately and automatically cease and be revoked.

- (b) Upon the filing by Lender in the official records of Henry County, Georgia, of a full release of the Security Deed without the recording of another security instrument in favor of Lender affecting the Premises, this Assignment shall likewise be canceled without the necessity of any further act by Lender.

ARTICLE II

2.01 Event of Default. The term "Event of Default", wherever used in this Assignment, shall mean any one or more of the following events:

- (a) The occurrence of any "Default" or "Event of Default" under the provisions of the Note, the Security Deed, or any of the other Loan Documents;
- (b) Failure by Borrower to duly observe any covenant, condition or agreement of this Assignment or of any of the other Loan Documents, and the failure by Borrower to cure such default in accordance with the provisions of the Security Deed regarding curing of defaults; or
- (c) The breach of any warranty by Borrower contained in this Assignment or in any of the other Loan Documents, or if any representation or certification made or agreed to be made herein or therein shall prove to be false or materially misleading at the time made or reaffirmed.

2.02 Remedies. Upon the occurrence of any Event of Default, in addition to any and all other rights and remedies available to Lender under the Note, the Security Deed, and the other Loan Documents and not in substitution for or derogation thereof, Lender shall become immediately entitled to all rents, income and profits arising from the Premises and may without notice to or demand on Borrower other than as may be otherwise provided herein (i) notify and direct each and every Tenant of the

Premises to pay all rents to Lender; (ii) as a matter of strict right and without regard to the value or occupancy of the security, have a receiver appointed upon ex parte motion to enter upon and take possession of the Premises, collect the rents and profits therefrom and apply the same as the Court may direct, such receiver to have all the rights and powers permitted under the laws of the State of Georgia, all without becoming a mortgagee-in-possession; (iii) proceed itself to enter upon, take possession of and operate the Premises, or any portion thereof, without becoming a mortgagee-in-possession; (iv) proceed to perform any and all obligations of Borrower under any of the Leases and exercise any and all rights of borrower therein contained as fully as Borrower itself could, all without regard to the adequacy of security for the indebtedness hereby secured and with or without the bringing of any legal action or the causing of any receiver to be appointed by any Court or other judicial authority; (v) make, enforce, modify and accept the surrender of any of the Leases; (vi) evict the Tenant under any of the Leases or obtain tenants for other space within the Premises; (vii) fix or modify rent; and (viii) do all of the acts which Lender may deem necessary, desirable or proper to protect the security created by this Assignment. Borrower hereby acknowledges and agrees that the intent of this Assignment is to empower Lender to undertake any, all or any combination of the actions hereinabove set forth in this Section 2.02 without notice to Borrower. If an Event of Default specifically authorize Lender, in the name of Borrower or in the name of Lender, to sue for or otherwise collect and receive all rents, issues and profits from the Premises, including those past due and unpaid, and to apply such collected rents, issues and profits to the payment of (w) all expenses of managing the Premises, including, without limitation, the salaries, fees and wages of attorneys and of a managing agent and such other employees as Lender may deem necessary or desirable, (x) all expenses of operating and maintaining the Premises, including, without limitation, all taxes, charges, claims, assessments, water rents, sewer rents, and any other liens, and premiums for all insurance which the Lender may deem necessary or desirable, (y) the cost of alterations, renovations, repairs or replacements, and all expenses incident to taking and retaining possession of the Premises, and (z) the Indebtedness secured hereby, all in such order of priority as Lender in its sole discretion may determine. Entry upon and taking possession of the Premises and/or the collection of the rents, issues and profits of the Premises and the application thereof, as aforesaid, shall not operate to waive any default,

Default or Event of Default, or prohibit the taking of any action by Lender under the Note, the Security Deed, this Assignment or any other Loan Documents or at law or in equity to enforce payment of the Indebtedness secured hereby or to realize on any other security. No failure on the part of Lender to exercise, and no delay in exercising, any right shall be construed or deemed to be a waiver thereof.

ARTICLE III

- 3.01 Successors and Assigns. This Assignment shall inure to the benefit of and be binding upon Borrower and Lender and their respective heirs, executors, legal representatives, successors and assigns. Whenever reference is made in this Assignment to "Borrower" or "Lender", such reference shall be deemed to include a reference to the heirs, executors, legal representatives, successors and assigns of Borrower or Lender.
- 3.02 Terminology. All personal pronouns used in this Assignment, whether used in the masculine, feminine or neuter gender, shall include all other genders, and the singular shall include the plural, and vice versa. Titles of articles and sections are for convenience only and neither limit nor amplify the provisions of this Assignment.
- 3.03 Severability. If any provision of this Assignment or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Assignment and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.
- 3.04 Applicable Law. Borrower and Lender hereby acknowledge and agree that this Assignment and the obligations created hereunder are made and intended as a contract under the laws of the State of Georgia, are to be governed by and interpreted in accordance with the laws of the State of Georgia and are to be construed and enforced in accordance with the laws of the State of Georgia, without reference to the application of the choice of law principles thereof.
- 3.05 No Third Party Beneficiaries. This Assignment is made solely for the benefit of Lender and its assigns. No Tenant under any of the Leases nor any other person shall have standing to bring any action against Lender as the

result of this Assignment, or to assume that Lender will exercise any remedies provided herein, and no person other than Lender shall under any circumstances be deemed to be a beneficiary of any provision of this Assignment.

- 3.06 No Oral Modifications. Neither this Assignment nor any provisions hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought.
- 3.07 Cumulative Remedies. The remedies herein provided shall be in addition to and not in substitution for the rights and remedies vested in Lender in or by any of the Loan Documents or on law or equity, all of which rights and remedies are specifically reserved by Lender. The remedies herein provided or otherwise available to Lender shall be cumulative and may be exercised concurrently. The failure to exercise any of the remedies herein provided shall not constitute a waiver thereof, nor shall use of any of the remedies provided herein prevent the subsequent or concurrent resort to any other remedy or remedies. It is intended that this clause shall be broadly construed so that all remedies herein provided or otherwise available to Lender shall continue to be each and all available to Lender until the indebtedness shall be paid in full.
- 3.08 Further Assurance. At any time and from time to time, upon request by Lender, Borrower will make, execute and deliver, or cause to be made, executed and delivered, to Lender and, where appropriate, cause to be recorded and/or refiled at such time and in such offices and places as shall be deemed desirable by Lender, any and all such other instruments as may, in the opinion of Lender, be necessary or desirable in order to effectuate, complete or perfect, or to continue and preserve (a) the obligations of Borrower under this Assignment or (b) the assignment and transfer effected by this Assignment as a first and paramount assignment and transfer of the Leases and the rents, issues and profits from the Premises. Upon any failure by Borrower so to do, Lender may make, execute, record, file, re-record and/or refile any and all such instruments for and in the name of Borrower, and Borrower hereby appoints Lender the agent and attorney-in-fact of Borrower so to do, which appointment is coupled with an interest and is therefore irrevocable.
- 3.09 Notices. All notices, requests, elections, demands and other communications permitted or required to be made herein shall be given to:

If to Lender: THE PARK AVENUE BANK

3.10 Cross-Default. An Event of Default by Borrower under this Assignment shall constitute a "Default" or an "Event of Default" (as applicable) under all other Loan Documents, and vice versa.

3.11 No Obligations Imposed Upon Lender. Nothing contained herein shall operate or be construed to obligate Lender to perform any of the terms, covenants and conditions contained in any of the Leases or otherwise to impose any obligation upon Lender with respect to any of the Leases including, but not limited to, any obligation arising out of any covenant of quiet enjoyment therein contained in the event the tenant, lessee, occupant or other party under any of such Leases shall have been joined as a party defendant in any action to foreclose and the estate of such tenant, lessee, occupant or other party shall have been thereby terminated. Unless and until Lender actually enters into and takes possession of the Premises, this Assignment shall not operate to place upon Lender any responsibility for the operation, control, care, management or repair of the Premises, and the execution of this Assignment by Borrower shall constitute conclusive evidence that all responsibility for the operation, control, care, management or repair of the Premises, and the execution of this Assignment by Borrower shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Premises is and shall be that of Borrower prior to such actual entry and taking possession by Lender or by a receiver on behalf of Lender. In the event of any such entry into and taking possession of the Premises by Lender or by a receiver on behalf of Lender, Lender's or any receiver's, as the case may be, responsibility for the operation, control, care, management and repair of the Premises shall be strictly governed by the terms of the Loan Documents.
