## **SANATATION PICKUP REGULATIONS**

1. Please have all household garbage, limbs, yard debris, metal and special pick-ups at the curb by 7:00 a.m.
2. All garbage must be in plastic bags placed in 32-35 gallon cans with lids at curb.
3. Yard debris pick-up on Monday. (MUST BE IN BIODEGRADABLE PAPER BAGS)
4. Chipper runs must be called in one week in advance- nothing larger than 8" diameter, longer length preferred and all requested items must be free of dirt, vines, and rocks. Chipping not to exceed (15) fifteen minutes. To schedule chipper service call 678-833-3315.
5. If a professional contractor or individual is hired to cut, trim, perform any landscaping, tree/limb removal, or construction the city will NOT accept a request for chipping or debris removal. The hired individual or property owner is responsible for all limb and/or debris removal.
6. All metal recycling must be called in one week in advance – grills, bikes, appliances, etc. (no air conditions and/or freezers, no propane tanks or gas tanks). To schedule metal service call 678-833-3315.
7. Special Pick-up on Monday's: \$25.00 fee per pickup of anything other than household garbage - furniture, bedding, shelving units etc. Any appliance containing Freon, such as refrigerators, freezers, or AC Units must be certified Freon free, otherwise pickup will not occur. To schedule a special pick-up the fee must be paid in advance at City Hall by Friday before Noon.
8. We do not pick-up: rocks, dirt, tires, paint, batteries, motor oil, remodeling or new construction debris.
